

## REMARKS

Upon entry of the instant Preliminary Amendment, claims 22-38 are pending. The original claims have been cancelled and replaced by claims 22-38 to reduce the number of independent claims, to eliminate "use of" claims and multiple dependency and/or to place them in better form for examination.

"Use of" claims 1 and 2 have been replaced by new independent claim 22, which is of substantially narrower scope. Claims 13 and 17 have been cancelled without replacement, and claims 14 and 15 have been combined into new claim 33. Applicants aver that claims 22-38 are fully supported by claims 1-12, 14-16 and 18-21 as originally filed and by the corresponding disclosure. No new matter has been added.

Applicants aver that the claims are now in better condition for examination. Early favorable action on the merits is respectfully solicited.

Respectfully submitted,
